I Understand that there is an inherent risk of physical injury in the practice and learning of a contact sport such as Taekwon-Do. Whilst the TAGB and Association schools and Instructors will take all reasonable steps to minimise the likelihood of an accident, the risk of physical injury cannot be eliminated. There is particular risk in the context of competitions and grading exercises, which by their nature are likely to result in an individual approaching and potentially exceeding the limits of their skills and physical ability. The acceptance of an individual's application to participate in a competition or to undertake a grading exercise does not constitute and should not be considered as constituting any form of confirmation or assurance by the TAGB or any Association School or Instructor to the effect that individual has the necessary skill or physical ability to safely complete such competition or grading exercise, it being the individual's sole responsibility to judge such matters for themselves. If an individual has any doubt whatsoever as to their ability to safely complete any exercise in the context of a competition, grading exercise or otherwise it is the responsibility of the individual to withdraw from the same. The TAGB, and Association schools and Instructors accept no liability for injuries sustained in the course of practicing and learning of Taekwon-Do save for injuries attributed to negligence of the TAGB, and Association schools and Instructors. Insurance in respect of such risks is included in your annual membership. In signing this declaration I accept the above-recited disclaimer of liability and also agree to abide by the rules of the TAGB as amended from time to time should I be accepted for these gradings. I except the decision of the examiners for the above applied for grading and will adhere to the requirements stated below.

Note for successful candidates

If you are successful in the mock grading you must attend at least the required lessons set at the mock grading until the official grading, which can be done at any of the Academy clubs. Failure to do so may result in being withdrawn from the grading with no refund.
